

# ARC Branch Networks

*bringing people together*

## **CSCI = CQC**

**Has anything changed but the name?**

***Plus!* The future of brokerage in Devon  
and... will Active Support change your life?**

**Venue:** Camphill Devon, Nr Buckfast, TQ11 0JN

**The Care Quality Commission has been in existence for 6 months now. Have you noticed any changes? We are told we will soon. Is this a threat or a promise?**

### **CQC**

Colin Lloyd (CQC Area Manager, Devon) will be with us to reveal all about how the Commission will be measuring quality, the single registration system and what they mean by 'person centred care'. And with 2010 just around the corner, where will the Commission's priorities lie?

### **If it ain't brokerage...**

At the last branch meeting Carolyn Elliott conceded that Devon's brokerage system was 'not working well'. Since then discussions have taken place on its future. Carolyn is with us again for an update.

### **Get Active**

**Active Support** aims to ensure people can participate in every aspect of their lives irrespective of disability. Services who use it have said that the model has transformed the lives of people they are supporting. Can it transform your service?

**Members and non-members are welcome.** Attendance is £8.00 for members and £18.00 for non-members (including lunch). Please complete and return the enclosed booking form as soon as possible.

If there's anything else you need to know, or anything you want to add to the agenda, get in touch.

### **Roderick Landman**

*Regional Development Officer  
(South West England)*

Tel: 01237 441786

Email: [rod.landman@arcuk.org.uk](mailto:rod.landman@arcuk.org.uk)

A booking form is enclosed with this mailing. Please return the form as appropriate to reserve your place at the meeting. **A link to a map of the venue can be found at the ARC Website: [www.arcuk.org.uk/default/events.php](http://www.arcuk.org.uk/default/events.php)**
